CHIEF
Gregory L. Eyster

Activity That May Be Drug Related

1. A person/people loitering in or around the street (or street corner) who are approaching vehicles
2. A person/people sitting in a vehicle in a parking lot who are repeatedly approached by pedestrians.
3. A large number of people visiting a residence for short periods of time or speaking to the occupants of the residence through a window.
4. A large number of plastic baggies in or around the yard of a residence.
5. A residence that has its porch light on at odd hours of the day or night.
6. Shoes with shoelaces tied together and thrown over telephone lines or overhead electrical wires to indicate the location of a drug house.
7. People standing outside a residence or around a block talking on two-way radios.
8. Any other activity that cannot be dismissed with a common sense explanation.

Useful Information to Report

1. The exact address or location of the drug activity.
2. The color and complete description of the residence where drug activity is taking place.
3. The color, make, model, year and license plate number of any vehicles involved in the drug activity.
4. The names of any people who are known to be involved in the trafficking of illegal drugs.
5. Time of day when the drug activity is most apparent.
6. Are there any children who live at the residence.
7. Any information about security at the residence (surveillance cameras, barricades, etc.)
8. Are there dogs kept at the residence where drug activity is taking place?
9. Are any of the subjects who are involved in the drug activity known to carry weapons?
10. What types of drugs are being sold? (if known)
