

PLANNING FOR
OUR FUTURE

we want
your
input!

PUBLIC NOTICE of TOWN WORKSHOP

UPDATING THE THURMONT MASTER PLAN

The Thurmont Planning Commission invites you to a public workshop:

Thursday, January 16, 2020, 7:00 pm to 8:30 pm

At the Municipal Office, 615 East Main Street

YOUR PARTICIPATION IS IMPORTANT

Please join us on January 16 and help us better understand the needs of the Town and plan for its future. The Thurmont Master Plan guides the Town's growth, development, and conservation and has been updated almost every 10 years since the 1970's. The Planning Commission is seeking your input.

1. What would Thurmont look like if you had the power to make it any way you wanted?
2. What would you preserve about the Town and what would you change about it?
3. Imagine you are in a future generation of Town residents and tell us what would impress you most about the vision of today's citizen planners?

ALSO: Beginning in the spring of 2020, as part of the plan update process, the Planning Commission will publicly study and consider petitions from property owners who seek to change the zoning classification of their property. If you are interested in seeking a new zoning classification for property, as part of this comprehensive plan and rezoning process, please contact the Town Hall for an application. Applications will be accepted through March 15, 2020. Rezoning applications will not be accepted or discussed at the January 16 workshop.
